

**58<sup>th</sup> Annual Awards  
Event of the Year**

## **Corralitos Padres Lumberjack Pancake Breakfast**

**This annual event is put on by the Corralitos Padres and benefits the Cub Scouts, Boy Scouts, Girl Scouts as well as 4-H, Aptos & Watsonville High School sports and is a dedicated livestock buyer at the Fair each year.**

**The Corralitos Padres Lumberjack Breakfast has evolved over the years. Back in the day, Fly-In participants and television winners were given tickets to the Lumberjack Breakfast which created quite an excitement. The Breakfast has been enjoyed by thousands and thousands of individuals over the years – both young and old! Each year the breakfast begins at sunrise and serves between 2,500 and 4,000 hungry attendees before noon – rain or shine.**

**The Lumberjack Breakfast provides the financial support to fund the youth programs throughout the entire year. The Padres continue to keep their building free for nonprofit youth organizations and the fundraiser is a primary source of funds for maintenance of the building.**

**The Boy Scouts and 4-H Club, along with over 50 Padres volunteer their time; and it takes over two weeks to prepare for the successful breakfast. The volunteer youth spend the night before the breakfast in the Padres Hall in Corralitos in preparation for a long day of service, which has created a lifetime of memories. Early in the morning on the day of the event, the Boy Scouts and 4-H Club assist in set up to ensure the event is pulled off smoothly and without a hitch. They are also busy serving coffee, along with a multitude of tasks.**

**We are blessed to have this event put on every year that is extremely community-minded and supportive of our youth. The Padres are the unsung heroes working behind the scenes to facilitate the youth programs throughout the Pajaro Valley!**
